Hawks Class Assembly

In topic this term, year 5 have been looking at 'Frozen Kingdom'. Within this topic, we have been learning about the ocean disaster that occurred in 1912; The Titanic. Our class have shown a great interest in this topic so we decided to perform this to our parents as a class assembly. Each child had an important part in this performance. Some were reading interesting facts about the Titanic and some were acting out various scenes in the story. Overall, we really enjoyed performing and sharing our knowledge on the Titanic. We hope you all enjoyed it too.

West Ham Players Visit George Carey

On Tuesday the 15th November West Ham players Manuel Lanzini and Alvaro Arbeloa visited our school to host an anti-bullying workshop. They discussed bullying and what it meant personally to them. In the schools Astroturf the year 6 children got the chance to play a variety of games such as football, handball and hockey with Lanzini and Arbeloa. One of our children described it as the best day of their life and a one in a lifetime experience. A huge thank you to the West Ham players for taking the time to come in and host the anti-bullying workshop and give the children an experience they will never forget.
