Reception Information

Please make sure the children have their reading records and reading books with them every day! We have sent several reminders out to parents about the importance of the children having their reading books daily; however the children are still coming to school without them. Our books are a precious and a very expensive resource. We need to protect our stock of books so we can continue to develop the reading skills of all our children. We also encourage families to read with their children every day.
