Nursery Newsletter

Welcome back and Happy New Year to you all. We hope you all had a restful break.

The children have all settled back nicely and have requested that we change our role play area into a shop. The children have enjoyed pretending to shop and put into action what they see happening around them.

We are pleased to welcome our 30 hour children and are excited to have them with us for the whole day.

Please remember to tell us what your child has been up to at home as this really does help us plan more beneficial activities for the children.

Notices

Tooth Brushing Programme

Please remember to return the consent form if you would like your child to take part in this amazing opportunity. Speak to a member of the team if you have any questions.

Role Play Area.

We have made our role play area into a Tesco Supermarket. If you have any food packaging or tinned food that the children can use, it will be gratefully received.

Termly Feedback

Before the holiday we sent out a feedback form, if you haven't already done so please could you return these as soon as possible, as your opinions matter to us.

Weekly Donations.

We would like to provide the children with a better variety of snacks such as crackers, bread sticks and toast. To help us to fund this we are asking for a 50p voluntary weekly donation.

Parental involvement

Stay and play continues every Friday at the beginning of the session.

Thank you to all of you that told us how much you enjoyed the Christingle workshop. Please let us know if you have any ideas for other workshops that we can run.

If we have any talented cooks out there that would like to come in and cook with the children, please speak to a member of the team.

Next week

The children will begin Phase 1 or 2 of the letters and sounds phonics scheme. They will continue their learning around number awareness and matching number to quantity.
