Nursery Newsletter

We have all had super fun in nursery this week working on our Superhero theme. The children have made their own Superhero puppets and masks. They have listened to Superhero stories and enjoyed dressing up to become Superhero's.

Notices

Tooth Brushing Programme

Thank you to all the parents who have returned the consent form. If you haven't it is not too late to do so.

We will begin the teeth brushing programme on Monday 15th January.

Punctuality

It is very important that the children arrive to nursery on time. Children that arrive 15 minutes or more after the start of the session are missing out on valuable teaching time.

Clothes for PE

We have noticed that on our PE days some children are coming dressed in jeans and boots, this is a polite reminder that children should be dressed in clothes appropriate for them to exercise in e.g. leggings or tracksuits with pumps.

Weekly Snack Donations.

Thank you to all the parents who have given a 50p voluntary contribution towards our snacks. This week we provided the children with crackers.

Parental involvement

Stay and play continues every Friday at the beginning of the session.

Please remember to complete the home learning sheets with your child. These activities support the learning that the children are undertaking at nursery. The sheets do not need to be returned to us.

Please read and return the access to Tapestry letter that is attached.

Thank you all for your continued support.

Next week

The children have requested that our theme next week should be jungle animals, they have asked for the role play area to become an animal cave.

We will read the story 'Walking through the jungle' by Julie Lacombe.

We are hoping to paint the children's faces so they feel more in role, more information on this will follow.
