Lean Beans Club

On Tuesday 16th January Nicki Wright, our Parent Support Advisor held a coffee morning to introduce the Lean Bean Club. Parents were invited to come along and meet the team that will be running the programme and get to know the other families that will be taking part. After a very successful coffee morning we are pleased to inform you that the Lean Beans Club will be starting on **Monday 22nd January at 3.30pm**; siblings to the children already attending are welcome. The Lean Bean club is designed to help improve the health, wellbeing and diet of families. The families who have chosen to take part will be attending a two-hour session each week for 12 weeks. The first hour will be interactive learning and the second hour will be a fun physical activity session. We look forward to seeing the families on Monday.

Magpies Class Assembly

On Thursday 18th January the Magpies performed their class assembly. The assembly was based on movement and bones. The children gave an energetic and confident performance which was enjoyed by staff and parents. Thank you to Mrs Allan and Miss Griffin for helping the children prepare for the assembly and to the parents who came along to support their children.

Information update re: sickness and diarrhoea

Following advice and guidance from our school nurse, the school's policy on the return date following sickness and diarrhoea is now a **48-hour** recovery time from the **first episode of sickness or diarrhoea**. If your child has been sick or had diarrhoea it is important to keep them at home to recover and prevent the chances of any bug passing to the other children.
