## Safeguarding Notice

There is a new app allows parents to keep their children safe by monitoring the images they take and receive on their phones and tablets. **The Gallery Guardian** app helps parents to prevent their children from sharing and receiving inappropriate or sexual images. Once parents have downloaded the app to their phone and linked it to their child's device, the app will scan every image their child takes or receives on their electronic device.

Download Gallery Guardian from the App Store or Google Play onto each of the devices you want Gallery Guardian to observe for explicit images by clicking on the following link <https://www.galleryguardian.co.uk/>

**Friday 9<sup>th</sup> February** – Last day of school before half term. We will re-open on **Monday 19<sup>th</sup> February** at the usual time of 8.55.

## The Planetarium Experience

To infinity and beyond! Well, Year 1 and Year 5 certainly did travel around outer space this week when they enjoyed an immerse experience in a Planetarium dome. The children were amazed by what they saw projected onto the domed ceiling and learned about the planets in our solar system. Pupils also learnt about space travel and the stars in our sky. Did you know that the stars we see are up to 500 light years away? The children gained so much from this opportunity and have used the experience to kick start their topic work on space. We would like to say a huge thank you to all of the parents who came along and entered the dome after school; it was great to see so many of you.

PLEASE KEEP THE SCHOOL OFFICE INFORMED OF ANY CHANGE OF ADDRESS OR EMERGENCY CONTACT

## Welcome home Romford Raiders

February 2018 sees the return of Romford Raiders who were forced to leave their old home in Rom Valley Way in April 2013.

This is an exciting time for the club and we want to provide as many opportunities as possible to bring young people back to the world of ice hockey, whether it be as players or supporters.

Our new home is at Sapphire Ice in the centre of Romford easily accessible by bus and rail networks.

We would like to invite school groups to join us for a game in our fabulous new home at reduced rates for children and parents, with free staff places (limited numbers based on requirements to cover a school trip).

If you are interested in taking up this opportunity, please contact

Catherine Burnetton 07980808317 or email

catherine104@me.com for dates and further information.
