Last Week

The children became chefs and made a pitta pizza with a mushroom and sweetcorn topping. The pizzas were very 'yummy' and the children showed great enthusiasm and satisfaction from eating what they had cooked.

In PE we played 'What's the Time Mr. Wolf' a game which the children always enjoy and regularly request.

We read the story of The Very Hungry Caterpillar and completed many activities relating to the story.

We sang '10 in a bed' daily to encourage the children to use number vocabulary and make connections between number and quantity.

We have changed the maths display board and are in the process of creating a Hungry Caterpillar display, make sure you have a look at the children's fabulous work.

Notices

Cooking

We will be tasting a variety of different fruits. If you have any concerns please speak to a member of staff.

Snacks

The children are enjoying having a variety of different snacks, this week we are providing a selection of fruit that the children may not have had the opportunity to try before. Thank you to all of you that have contributed 50p weekly, this really does help.

Contact numbers

Please keep us informed of any telephone number changes and it is important that we hold up to date information.

Parental involvement

DoJo

We would like to start sending you photographs of activities the children are participating in through Dojo, if you do not want your children to be in these photographs please talk to a member of staff.

Tapestry

Thank you to all the parents who have returned the Tapestry letters. Please return the consent letter to us ASAP if you haven't already. We are excited to get you all signed up and start to share your child's learning with you.

Celebrating Chinese New Year

If you have any Chinese artefacts that we could use with the children they will be gratefully received.

This Week

The children really enjoyed reading the story of The Very Hungry Caterpillar so we have decided to carry on working on this theme this week.

We will be making fruit kebab and talking about eating health and making good food choices.

In maths we will be singing the song '5 little peas' to help the children learn to recognise numerals.

Thank you for your continued support.
