

## Nursery Newsletter

06.02.18

### Last Week

We had great fun making Fruit Kebabs. All the children were so enthusiastic. It was lovely to see the children exploring the fruit and for some, tasting different fruit for the first time.

#### **Notices**

##### Snacks

Only a small number of parents are donating to our snack fund. The children really do enjoy having the variety of snacks and it would be a shame if we had to stop due to lack of contributions. If you would like to make a weekly voluntary contribution of 50p it would be gratefully received.

##### Contact numbers

Please keep us informed of any telephone number changes as it is important that we hold up to date information.

##### Time Keeping

Please can we ask that children are collected on time. If you are more than 5 minutes late the children will be taken to the office and you may receive a fine.

##### Half Term

Nursery is closed next week for the half term break. We wish you all a pleasant break and will see you all on the 19.02.18.

#### **Parental involvement**

##### Name Writing

Thank you all for helping the children to write their names at the beginning of the session. Please do not write it for the children and encourage them to try for themselves even if it's just the first letter. Please can we ask that the children practise writing their name daily at home too.

##### Tapestry

Thank you to all the parents who have returned the Tapestry letters. Please return the consent letter to us ASAP if you haven't already. We have started the process of signing you all up and you will receive more information after the half term break.

##### Stay and Play

Stay and play with us every Friday at the beginning of the session.

This is a great opportunity to speak to your child's keyworker about their achievements and progress.

### This Week

We have been learning about the celebration of Chinese New Year. The children have enjoyed playing in our Chinese restaurant where they have had the opportunity to experiment with real food such as Noodles, Bean Sprouts and Pak Choi. We really do have some budding Chefs amongst our children. The children have also made dragons, read the story of 'The great race' and designed CNY cards. A big thank you to James Duong's mum for coming in and sharing her stories of celebrating CNY and showing the children artefacts. We really appreciate this, and the children benefitted greatly.

Thank you for your continued support.
