

## Nursery Newsletter

23.03.18

### This Week

The children have had great fun learning all about the Easter celebration. We have made Easter cards using our finger and hand prints. We have designed our own Easter egg patterns and started to explore the Easter story by making crosses.

In our Maths session we have been learning to count objects and actions that cannot be moved.

In literacy we have continued to help the children to learn to listen using a range of different approaches.

The children's homework this week is to make their Easter Bonnet.

### Parental involvement

#### Parents meetings

We will be holding parents meetings on Thursday 29<sup>th</sup> March. This will give you the opportunity to discuss your child's progress with their keyworker and agree on next steps. Please sign up if you haven't already done so.

#### Stay and Play

Stay and play with us every Friday at the beginning of the session.

This is a great opportunity to speak to your child's keyworker about their achievements and progress.

#### Easter Bonnets

We will be holding an Easter Bonnet Parade on the 28<sup>th</sup> March. Please help your child to make a bonnet at home ready for this event. Please speak to a member of the team if you need any support in making a bonnet.
