Year 2 ‘Mess, Muck and Mixtures’ Project Menu

Starters

We will be looking at fact files on famous artists and would like the children to use their skills of information writing to create their own fact file of a family member or family friend.

They will need to write 10 interesting facts and put them in chronological order.

Write a story that has a magical character. Remember to include a character description and follow a story mountain (beginning, build up, problem, resolution and ending).

Use a dictionary to check your spelling and remember to use your best handwriting.

Write a newspaper report based on the story that they have read, remember to include a catchy headline and a picture with a caption.

Main Courses

Cook something with a grown up and create a picture record of what you have done. Perhaps you could try one of Roald Dahl’s revolting recipes?

Create a piece of artwork, inspired by Carl Warner, using foods you have at home. Take photos of your creation.

Make a slush drink by freezing a cup of juice. How long does it take to freeze? How about making different coloured drinks by mixing different juices? Record your investigation in a scientific report.

Set up a melting experiment. Take two or three glasses and fill them with the same number of ice cubes. Put them in different places and see which melts first. Do the ice cubes melt faster if you stir them? Record your investigation in a scientific report.

Compare how long it takes for sugar lumps to dissolve in warm and cold water. How can you record your findings?

Create an original piece of artwork inspired by an artist you admire.

Write a poem with the title 'Muck, mess and mixtures'. Include some exciting Adjectives. Remember poems don't have to rhyme.

Year 2 Autumn 2 spellings

Week 1 Test 9.11.18	Week 2 Test 16.11.18	Week 3 Test 23.11.18	Week 4 Test 30.11.18
door	Could	Mind	Many
