Year 4 Visit the Science Museum

This week, the Kingfishers, Herons and Jay's classes visited the Science Museum. Each class got to see many exhibits including the 'It Takes Guts Show' about the workings of the human digestive system. They learned about the journey the food takes from the mouth all the way through the digestive system. The children and staff had a fantastic time exploring the exhibits and learning from them. Marlea from the Herons class said 'I had an amazing day looking at the space objects and the aeroplanes. The Science Museum was very interesting'.

Superhero Dinner Day

On Thursday 17th January George-Carey school celebrated Superhero Dinner Day with a special lunchtime menu which included super sweetcorn pizza, save the day smiley faces, incredible vegetable lasagne with guardian garlic bread and brave baked beans. The kitchen dressed as superheroes and the children enjoyed their school meal very much. Thank you to our superheroes in the kitchen.

St John's Visit the Nursery and Reception

On Wednesday 16th January St Johns Ambulance came to visit our Nursery and Reception children. The children were shown some of the equipment used to help people. The children had an enjoyable and informative time and we would like to thank the St John's Ambulance team who came. This visit formed part of our overall drive to ensure that children know how to get help in an emergency.

26th & 27th January 2019 New 50M Pool Opening at Becontree Heath Leisure Centre, Dagenham

We are proud to announce the opening weekend of our 50 m pool at Becontree Heath Leisure Centre, Dagenham. We would love for all students in the borough to be involved and join us in celebrating the opening of our new pool. We will be having free sessions all weekend on the 26th and 27th January 2019 and we would love for you to come and participate.

To celebrate the opening of our new pool we will be doing a 24-hour nonstop swim challenge and will be trying to swim the distance of the Thames. The challenge is open to everyone and starts at midday on 26th January 2019.

To help us with our challenge and book your swimming slot to participate please email becontreeswim@everyoneactive.com with your desirable swimming time.

Regards,
